## A WORD ABOUT OUR INGREDIENTS

Here at Town and Country Restaurant, we are passionate about using fresh, local ingredients grown and produced right here in the Lehigh Valley. We've partnered with many local vendors to bring the freshest ingredients from their farms to our tables.

We've partnered with **Twin Maple Farms in Bath** to bring you fresh vegetables like potatoes, cabbage, lettuce, broccoli, green beans, and green peppers. Their potatoes are used to make our homefries, mashed potatoes, and our fresh-cut fries.

**Bechdolt's Orchards in Hellertown** is where we get our apples to make our homemade applesauce and baked apple slices, and various baked goods. We also slice them up to use in our seasonal salads.

All of our eggs come from **Country View Farms in Danielsville** to bring you the most delicious part of your breakfasts.

Many of our dairy products come from our partners at **Klein Farms & Dairy in Easton**. We use their fresh mozzarella in many of our dishes, like our Grilled Cheese and our Strawberry Smokehouse Salad. We also use their ricotta cheese to make the filling in our Stuffed French Toast.
